

Dear Applicant

Thank you for the interest you have shown in the Zambia Project. We have an application based admission process in order to ensure you match one of the available vacancies within the Project. Your interests, qualifications, skills, work and missions experience is taken into consideration in placing volunteers.

Below are the prerequisites to serve as a volunteer. Your application, only initiates the invitation process. We will read your information and pray about how God may plan to use you here. We will appreciate prayerful patience on your part, until we confirm that your application is successful

1. Those volunteering with us need to have a personal commitment to Christ Jesus and a hunger for a deeper walk with Him
2. Volunteers need to be willing to submit to authority and demonstrate a servant's heart
3. Unless accompanied by a parent or ministry leader, volunteers must be at least 18 years of age
4. You need to be self-financed. You are responsible for raising your own support to cover both personal and work related expenses. The Zambia Project is under no obligation to cover the costs of any work or projects you undertake under the auspices of the Project
5. You need to be sent and recommended by your local church or Christian sending organization. We require a letter of motivation from them as well as a character reference

6. You'll need proper ministry experience in line with the role you wish to fulfill while in Zambia e.g. If you wish to do leadership training in Zambia, you must have trained leaders within your sending church, or organization
7. We require that you are covered with emergency medical insurance for the duration of your term in Zambia. This is essential for all who visit or here, whether for a few days or several years. Most domestic medical insurance plans do not cover foreign travel, so check with your plan administrator to verify your coverage. If you need additional insurance cover, you can talk to your travel agent. Alternatively, you can give us proof that you have sufficient finances in case of any emergency
8. We will send you a letter of invitation which will be necessary for your visa application. Individuals from most countries will be able to get their 'Business Visa' upon arrival in Zambia. It is your responsibility to confirm details with the Zambian Embassy in your country of residence
9. You need to submit the following completed and signed forms and documents to the Zambia Project's leadership prior to your arrival in Zambia

If you feel that God has prompted you to volunteer with us as a medium term missionary, please complete the following application forms below and email them to [tanya@thezambiaproject.org](mailto:tanya@thezambiaproject.org). with a reference letter from your pastor.
